About Onsite	<p>Panchayat union middle schools and Govt High schools wherever SEBLA project is implemented in a particular academic year. Indiasudar has trained teachers to demonstrate and explain the fundamentals of Science to students studying in 6th , 7th and 8th std of govt and panchayath union schools in cyclic manner. i.e. Each teacher is allocated certain number of schools and they visit one school per day. Their teaching can lead to better understanding of the subject and increase the interest on science among the students since we allow students to experiment (hands on experience) the low cost models. The experiments are very simple and easily understandable. The experiments are prepared by considering the academic curriculum. The successful implementation and outcome of this project are known by teachers and students of the schools wherever we have executed since 2010.</p>
